

MDSD- xText Math Interpreter

Status

The math interpreter is working and makes use of both hover text and variables.

Scoping Link: <https://github.com/thevinge/MDSD-MatherInterpreter/blob/Improved/org.xtext.mdsd.mathinterpreter/src/org/xtext/mdsd/scoping/MathinterpreterScopeProvider.xtend>

Hover

Hovering is implemented, and one can see the variable x's value changes based on the scope.
